Subject: Application - Determination of Completeness
Marshall Industrial Landfill #1
Duke Energy – Marshall Steam Station
Catawba County
Document ID No. 5824

Dear Mr. Hallman:

On July 1, 2008 the Division of Waste Management, Solid Waste Section received your Site Suitability Report for the Marshall Steam Station Industrial Landfill #1, entitled;

- *Duke Energy Marshall Steam Station, Catawba County, N.C., Industrial Landfill #1, Landfill Permit Application, Site Suitability Report, 15A NCAC 13B .0503(1) and .0504 (1) Requirements and Responses Volumes 1 and Volume 2.* Prepared for Duke Energy. Prepared by S&ME. June 19, 2008. Document ID No. 5055.

The Site Suitability Report was assigned to Ms. Elizabeth Werner for review. The Division has not received Duke Energy's permitting fee for this project, nor has it received a complete permit application.

In accordance with North Carolina General Statute NCGS 130A-295.8(e) I have preformed a completeness determination of Duke Energy's submitted materials and have determined the application to be incomplete, Duke Energy has not yet submitted the required documentation for a complete application in accordance with North Carolina Administrative Code 15A NCAC 13B .0504.

If you should have any questions regarding this matter you may contact me at (828) 296-4704.

Sincerely,

Larry Frost
Regional Engineer
